The maximum number of years the proposed bonds may be outstanding, exclusive of refunding, is not more than twenty (20) years and the estimated simple average annual millage that will be required to retire the proposed bonds is 5.78 mills annually (\$5.78 per \$1,000 of taxable value).

If approved by the voters the bonds will be guaranteed by the State of Michigan under Section 16 of Article IX of the State Constitution of 1963, as amended.
